LAKSHYA SHARMA

STUDENT

PROFILE

Enthusiastic Third-year Computer Science Engineering student actively seeking internships to apply and enhance technical skills in software development. Eager to contribute to innovative projects. I bring a dynamic mix of passion for continuous learning and a knack for instant problem-solving. I invest time and energy into acquiring new skills, embodying diligence, and a relentless pursuit of excellence. Ready to bring this blend of enthusiasm, technical acumen, and creativity to a real-world setting.
